

Imperial County Community Cradle to Career Roadmap

A collective Approach to Achieve our Countywide Vision

A journey to lifelong learning where every student has the mindset and disposition for college and career readiness*

*College and career readiness refers to the content knowledge, skills, and habits that students must possess to be successful in postsecondary education or training that leads to a sustaining career. A student who is ready for college and career can qualify for and succeed in entry-level, credit-bearing college courses without the need for remedial or developmental coursework.
